

Memorial Project

TO DO item #3: at some point before _____, each student, with his or her partner(s) or alone, needs to visit a local memorial or public sculpture. I've included a map and list of possible sculptures to visit below, but feel free to ask your parents, family, and/or friends for recommendations.

While there, you are responsible for noting and answering the following questions. I will want to see **written answers** to each question in class:

1. What is the name of the piece?
2. Who is the artist?
3. What it is a tribute to? (If applicable)
4. How tall is it, approximately?
5. How wide, approximately?
6. What sort of signage is included?
7. Is there history or context given on the sign?
8. Does it appear to be lit at night? If so, describe how.
9. Are there benches or places to sit nearby?
10. Can you walk all the way around it?
11. Can you walk under or through it?
12. What does it make you think?
13. How does it make you feel? Or, what emotions does it evoke?

14. Are there plants or trees or other landscaping nearby?

15. Is there water or a fountain nearby?
